

Accessibility Statement for West Ham Church School

The main entrance to West Ham Church School is suitable for wheelchair access and staff are available to offer assistance via the use of a ramp to gain entry to the building. This also includes powered wheelchairs.

Please note there is also a handrail outside the main doors.

There is one wheelchair accessible adult toilet located in the main school corridor; all children's toilets have wheelchair access.

The school is on one level and there are also 3 mobile classes. All areas of the school are accessible for wheelchairs.
