

Google classroom for parents

Dear parents and carers,

Please visit the website below:

<https://classroom.google.com/>

Your child will have been given a google login and password. Once you enter these details, you will need to join your child's classroom. Some children have already joined the classroom, if so they will be able to see the work that has been set.

This should give you access to their classroom and they will be able to access the work their class teacher has set.

If you click on the tab 'stream' you will see teacher assignments. Click on the tab 'classwork' to complete the work.

If your child has lost their username or password please email info@westham.newham.sch.uk and we will re-send this to you as soon as we are able.
