

Accessibility Statement for West Ham Church School

The main entrance to West Ham Church School is suitable for wheelchair access and staff are available to offer assistance via the use of a ramp to gain entry to the building. This also includes powered wheelchairs.

Please note there is also a handrail outside the main doors.

There is one wheelchair accessible adult toilet located in the main school corridor and on each floor of the Pelly building; all children's toilets have wheelchair access.

The main school is on one level. The Pelly Building is a 3 storey building. The Pelly Building has a lift for wheelchair access.
