

West Ham Church School
PE and Sports Grant 2018/2019

The Government allocated £150 million to support and improve the provision of physical education in primary schools from September 2013. West Ham Church School will receive per year for children in Year 1 to Year 6. The payments will arrive in two instalments across two financial years.

Total Eligible Pupils in 2017/2018	316
Total Eligible Pupils in 2018/2019	315
Grant in Financial Year 2017/2018	£10,693
Grant in Financial Year 2018/2019	£7,637

Physical Education at West Ham Church School / Our Philosophy

Children take part in the statutory 2 PE lessons per week where they play sports such as football or basketball. All year groups do 2+ PE lessons per week. This includes expert training for children in Karate. We offer children a number of other opportunities to get into sports (breakfast clubs, lunchtimes and after school clubs are available for all). There are 14 after school clubs offered for children from Reception to Year 6, of which 46% are sports such as dance, ballet, football, karate and sometimes basketball. Our lunchtime sports clubs include basketball and we are working to include netball. Sports day take place each summer and they continue to be traditional, competitive days where children compete individually for gold, silver and bronze medals and as a member of their house for trophies. Interhouse sports have been introduced. Year 5 children have the opportunity to take part in Bikability training which teaches them road safety skills. There are residential visits for Year 6 including canoeing, high wires and caving. Special events (Mile End Climbing Wall) are organised most years and gives children the opportunity to take part in physical activities and learn new skills.

Year 5 children learn to swim through weekly swimming lessons at the local Leisure centre. Our breakfast club and after school nurture clubs also include outdoor activities. We are also involved in local sporting tournaments for basketball, karate and sometimes football.

We buy into an annual SLA with Cumberland School where they train pupils and staff in physical education. Some of the events arranged by Cumberland are Cross Country running, Mini Olympics, Dance Mats, archery, tennis, rugby, football and basketball tournaments.

Plans are in place for a second playground. The Sports Grant will go some way in supporting the school with the purchase and set up of the playground and contribute to a new adventure trail.

We are committed to sporting activities which teach many of the skills needed for academic achievements also such as perseverance and discipline.

Action Plan – 2018/2019

£7,637

Initiative	Cost	Start Date	Desired outcomes	Expected Impact
Cumberland Sports Partnership	£3,000	Financial year 18/19	<p>Cumberland to continue their support – increasing the number of children involved in sporting activities (e.g. basketball sessions and club, fitness and agility testing, dance mats)</p> <p>Training of Year 5 children to be Lead Sport Ambassadors to lead sports for young children and support at major sporting events – teach responsibility, service to others and the school</p>	
Pay for Year 5 swimming lessons	£3,000	Financial year 18/19	<p>-Swimming is a statutory part of the National Curriculum and children are expected to take part.</p> <p>-To measure impact of swimming lessons we monitor the number of children able to swim 25m unaided by the end of year 5.</p>	
New playground by Pelly Building	£1000 – part funded with budget/fundraising	New budget 2018-2019	<p>Extra playground area for children for all weathers</p> <p>This has been carried over to 18/19 - £10,000 in this year’s budget towards the £60,000 needed for improvements</p>	
Adventure trail on field	£1000- part	New budget 2018-	Extra activities for the children when	

	funded with budget /fundraising	2019	playing on the field. Good for hand / eye co-ordination This has been carried over to 18/19 - £10,000 in this year's budget towards the £60,000 needed for improvements	
After School Clubs	£500 – staffing costs	Sept 18 – Aug 19	Free clubs and subsidised clubs for children – access to a range of skills and activities.	
Increase participation of school sports	£3,120	Sept 18 – Aug 19	Increase the number of playtime and lunchtime clubs and additional sports sessions within the school day. This will ensure that children who do not opt to take part in after school sports are able to access additional sports such as walk a ½ mile / walk a mile. Or those not interested in standard football, basketball etc. Funding to release staff members to run these clubs and purchase equipment for them. Providing other focused activities for children to take part in at play and lunchtimes – impact on positive behaviour. -Cycling club – using the school bikes -Football – Kick London	
In school karate classes	£2,192 approx Salary and cost of belts / badges	Sept 18 – Aug 19	A qualified Karate instructor will be running teaching sessions for Year 5 children and some staff to teach skills and model behaviour throughout the school. School covers the cost of belts for children.	.

Competitive sports participation	£1,000 fares and sports kit	Sept 18 – Aug 19	Competitive sports participation will increase understanding of good sportsmanship: winning and losing with grace Attend local football or Karate tournament and/or friendly match with another school.	
Inter-house sporting events	£230 – Medals for Sports Day	Sept 18 – Aug 19	-Set up a system of inter-house sporting events. This will extend the use of the house system which is generally only used once a year on sports day. -The benefit will be to increase all children's access to competitive sports and give them an opportunity to use the skills they learn during their PE lessons and clubs. -To take place once a term for different sports (football, basketball, netball, volleyball and badminton)	

How impact will be measured:

- Fitness tests delivered at intervals during the year
- Teachers have greater confidence in planning and delivering gymnastics lessons - observations to take place of gymnastics lessons by senior leadership team.
- Monitoring the number of children able to swim 25 metres unaided by the end of Year 5
- Increase in the number of lunchtime / playtime sports clubs available - monitoring
- Year 5 children to receive training as young sports leaders to enable them to lead play activities and help at sports events.

- Pupil, staff and parents questionnaire feedback

Not all initiatives will use the PE funding, but nonetheless they will be important strategies to improve the provision of sports in the school and ensure that each child takes part in some form of chosen or competitive sports activity each year.
