Country of the Week - France

Well done to all those children who researched the UK. We found out lots of amazing facts! The new Country of the Week will be France. Children should find out information about France and present it in a really creative and engaging way. I am excited to hear what we all find out.

Online Registration KS1 9:00am

We would like children to log on to Seesaw to join our live register at **9am** every morning. This will be a great opportunity to prepare children for the day and give them opportunities to ask questions and share work. We look forward to welcoming you to registration every morning on Seesaw.

Seesaw

Thank you for using Seesaw this week.

I'm glad to see more and more children share their learning online.

We will have another parent meeting on **Tuesday 2nd February** to discuss Seesaw and how to use it. Please also complete the parent survey, even if you have not used Seesaw yet.

Wellbeing

Sleep is an essential part of our day, but often we go without enough. Check this grid to see if you and your family are getting enough sleep.

Ways to help with a

successful sleeping pattern are:

- Going to bed at the same time every night
- Fifteen minutes of quiet time before bed (no screens!)
- Do a relaxing activity before going to bed e.g. reading or drawing

WOW

Word of the Week

godspeed

Definition: an expression of good wishes to a person starting a journey.

Example: "She wished him godspeed."

Remember: Include this word in your writing.

Homework

When families have been indoors a lot through the week, often juggling work and managing the home with children's learning, it is more beneficial than ever to get out of the house, away from screens, to enjoy the natural world. It is good for both mind and body. This week, why not try learning a little about birds...?

Count the birds and enjoy time with nature
