### Country of the Week - The UK

This week we are excited to be introducing, 'Country of the Week'. We would like children to do research on the chosen country at home. The UK will be our first country. Children can find out a range of information about the UK. Hints and tips on what to research can be found on Google Classroom. The child from each class who does the most research will become the class geographer for their class and will be announced in the Friday Collective Worship. I hope you enjoy learning about the UK!

### Seesaw - Parent Meeting Friday

KS1 will be using the Seesaw app to help children easily upload learning. This will help teachers to assess the work and children will have regular teacher feedback to help them improve. It is also very user friendly. If you have any issues, please contact us.

## MATHS

### Year 1

This week in maths we have been learning about number lines. To support this learning at home, you could build your own number line from 1 to 20, using the objects in your own home. We would love to see a photo!

### Year 2

In maths this week we have been learning how to multiply and divide. To support your child's learning at home, we recommend using practical objects from around the home to represent sharing and groups of. Please remember to share photos of your wonderful ideas!

Basic  
Division  
Ideas

## Spellings

1. girl
2. bird
3. shirt
4. first
5. third
6. turn
7. hurt
8. church
9. burst
10. burn

## Curriculum

Children in KS1 have produced some excellent learning and are sharing their knowledge of London online. We are continuing with our London theme next week and will be writing, reading and performing a range of poems about London.

Teachers have worked hard to produce lessons that all link well with one another. You should notice that all subjects are linked with each other so children are building their knowledge of London everyday!

### Week 4 and 5 Learning Pack

Our new learning packs are ready to collect. Remember these should be used alongside live lessons on Google Classroom. There are activities in the pack such as handwriting which can be completed independently.

## WOW

### Word of the Week

## Fumes

**Definition:** an amount of gas or vapour that smells strongly or is dangerous to inhale.

**Example:** The fumes from the fire spread across London.

**Remember:** Include this word in your writing.

## Homework

This week our 'Country of the Week' is the United Kingdom. Use the internet or any resources you have at home, to create a fact file about the whole of the UK.

## Celebrations!

Congratulations on another successful week of online learning.

On this page, we would like to celebrate the children's achievements in and out of school so parents please do let us know if you are particularly pleased with something your child has achieved at home, we would like to recognise:

- ❖ Good behaviour
- ❖ Excellent attitude to learning
- ❖ Progress
- ❖ High quality work
- ❖ Awards

This week the award goes to Aleena  
**(Squirrels class)**  
For  
**excellent attitude towards online learning and high quality pieces of work**

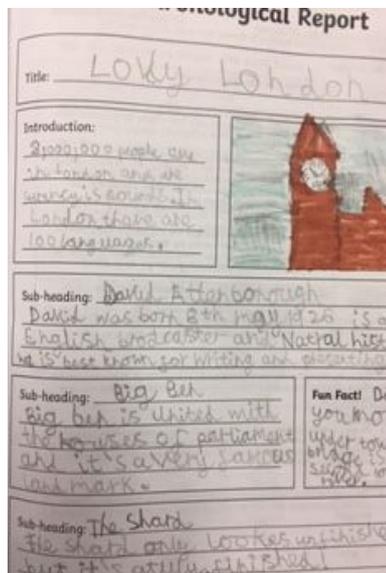

Special mention to Emily (Dragonflies)  
Noor (Hedgehogs)  
Maria (Ladybirds)

## Photographs of Children and Their Work

Well done Aleena and Noor from Hedgehogs and Squirrels for drawing a wonder picture of the Great Fire of London.

The children produced some fantastic pieces of writing about London. Below is an example of Tomas and Maria's writing.

**London The City**

What is it about London?

- London is the capital city of England
- Currency is pounds
- It has the iconic 'Big Ben' clock tower
- Population is 8 Million

Famous People In London

There are a lot of famous people that come from London. This includes mair The Queen and rest of the royal family.

We also have Boris Johnson as our great prime minister.

Why do people come to London?

London is famous for their architecture, food, art and even football.

London makes us know how different nationalities live and work together.

London is a tourist attraction spot, and view famous landmarks such as the House of Parliament, London eye or Tower bridge.
