## Upper Key Stage 2

Weekly News Page

Spring 1, Week 3

22nd Jan 2021

### Collective Worship

All families are invited to join our collective worship every morning at 9:10. Each session is led by a different member of our school team and is an opportunity for:

- Reflection
- Sharing stories
- Discussing current affairs
- Keeping in touch with members of our community

**Year 5** Wildcats Class ~ Mrs. West with Miss Nso

**Years 5/6** Kingfishers Class ~ Miss Shaw - Phase Leader, Miss Pandya and Mr Forster

**Year 6** Eagles Class ~ Miss Nemeth with Mrs Aziz and Ms Ridgley

A warm welcome to Miss Begum who will be teaching in Eagles class.

### Country of the Week

We are excited to be introducing 'Country of the Week' in school. We would like children to do research on the chosen country at home - our first country is the **UK**.

Children can find out a range of information about the UK, help and top tips will be available on Google Classroom. The child from each class who does the most research will become the Class Geographer, to be announced in Friday Collective Worship. Enjoy learning about the UK everyone. Good luck!

### Get In Touch

If you would like to speak to a member of our team, please email:

[info@westham.newham.sch.uk](mailto:info@westham.newham.sch.uk)

### Next Week's Timetable

Upper Key Stage 2  
Curriculum Page

## Maths

- Adding and subtracting decimals with the same number of decimal places
- Adding and subtracting decimals with a different number of decimal places

## English

- Grammar - using a colon to separate clauses in a sentence
- Exploring how illustrations in a picture book can convey meaning
- Research the context of the book - linked to Science topic

- Science: Phases of the moon
- History: Ancient Maya cities
- RE: What can Christians learn from Jesus' teachings?
- Computing: Scratch coding - animating objects
- French: School equipment/objects
- Art: Stained glass windows
- PSHE: Celebrating Diversity

## Year 5 Spellings

membership  
ownership  
partnership  
dictatorship  
championship  
craftsmanship  
fellowship  
apprenticeship  
citizenship  
sponsorship

## Year 6 Spellings

deceive  
conceive  
receive  
perceive  
ceiling  
receipt  
protein  
caffeine  
seize  
neither

## Homework

**Maths:** Practise arithmetic skills - subtracting 4 digit numbers with exchanging

Times Tables Rockstars: <https://play.ttrockstars.com/>

**English:** Reading Comprehension to develop retrieval and inference skills

Practise this week's spellings

Read an ebook: Collins ebooks: <https://ebooks.collinsopenpage.com>

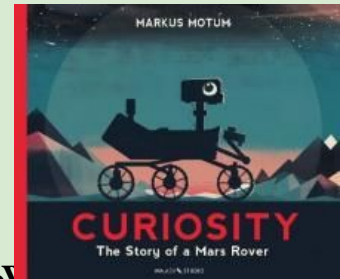

Please remember to use this to support learning at home:

SATs Companion: <https://app.satscompanion.com/login>

## Focus text

We are reading

Curiosity: Story of a Mars Rover

Wow - Curiosity

## **Challenge Questions:**

1. How does the book convey information about the mission?
2. Can you create your own illustration similar to those in the book? Perhaps use resources that you have at home or 'Google Drawings' on your device.

## Art Gallery

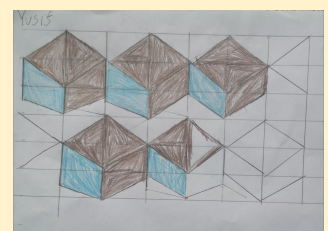

Thank you for your support towards children, their learning and skill development at home.

We have an online Art Gallery on Google Classroom to share their wonderful work.

1. Take a photo
2. Upload onto Google Classroom by clicking on the 'Art Gallery' assignment and 'Add/Create'

Thank you,

Miss Zucconi - Art teacher

Celebration Page

## This week's Top Ten

1. Ryan
2. Zane
3. Jarif
4. Sahejveer
5. Aliyha
6. Shuraim
7. Markuss
8. Wolodymyr
9. Manish
10. Dawud

On this page, we would like to celebrate the children's achievements in and out of school so parents please do let us know if you are particularly pleased with something your child has achieved at home. We would like to recognise:

- ❖ Good behaviour
- ❖ Excellent attitude to learning
- ❖ Progress
- ❖ High quality work
- ❖ Awards

This week the award goes to:  
**Nastecha for incredible effort across all subjects and setting an example to others.**

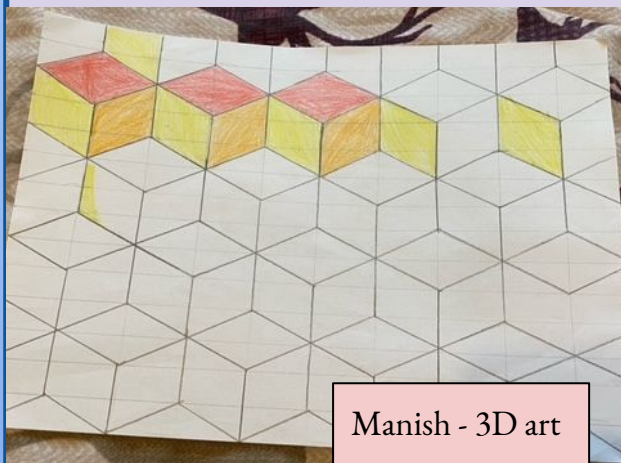

**Kingfishers:** Wolodymyr for persevering in Maths and challenging himself.

**Eagles:** John for great engagement and effort in his lessons this week.

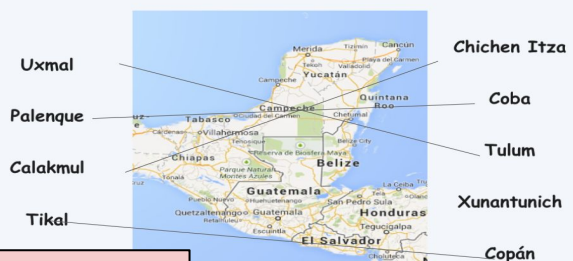

**Wildcats:** Zane for a positive attitude to his work and excellent effort in all lessons.

## Look At Our Fantastic Work

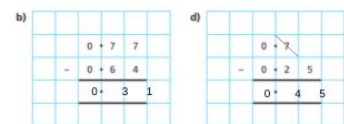

Manish - 3D art

Use google maps or an atlas to find the location of the following ancient Maya cities and mark them on your map.  
You can draw arrows and label them on your google document.

Gabriella - locating Mayan cities

🚀 Timmy told me that you need a comfortable position and a comfortable spot, once you have found your place you had to press a button ( it looked like it could kill you) I sat there sweating and itching my palms, Timmy told me more about each button which to only press for emergencies or just not to press, then the butterflies in my stomach didn't sway how much it used to about an hour ago. My palms stopped itching I felt 10 times better but still a little stressed but I was fine. 🚀

Livia - Sci-fi story opening

I can't work out  $0.56 - 0.099$  because 99 is bigger than 56

you agree with Eva? \_\_\_\_\_  
ik out the answer to  $0.56 - 0.099$

0.56 there is no hundred and 0.099 there is thousands

Zane - Decimals

0.099
