*With God all things are possible*

Next week, we are celebrating Easter! The children will be making Easter hats and crafts in class, as well as having an virtual Easter service led by our vicar, Simon.

We will also be having an Easter raffle next week after school, raising money for saving the turtles in Mexico.

**Term will finish at 1:30pm on Thursday 1st April.**

Please be sure to collect your children promptly.

## Country of the Week

Last week's 'Country of the Week' entries were fantastic - it was great to read so much information about Pakistan.

The new country of the week is the **United Arab Emirates (UAE)**

Children should find out information about the UAE and present it in a really creative and engaging way. There will be time to present their work towards the end of the week and be in with a chance of becoming Class Geographer.

In the second week of the holidays, we will be running Easter school for our year 6 pupils.

Between 9:30 and 11:30, we will be offering a range of activities to promote wellbeing and fitness.

A letter was sent home this week, please return by Wednesday if you would like your child to attend.

## Easter Eggs Save the Turtle Eggs

UKS2 have been studying Mexico and have linked up with La Tortuga Viva to find out about the conservation efforts to save the endangered turtles. We have loved finding out about the turtles and having Zoom conversations with Raj and Lorenzo - they are very knowledgeable and have been able to answer all of our questions.

To help the turtles, we have sponsored four turtle nests on behalf of the UKS2 children. In order to raise money for these nests, we are hosting an Easter Egg raffle at the end of term. Children will be able to purchase raffle tickets with the winners being awarded Easter Eggs. All of the proceeds will go towards the nests and helping to protect these amazing creatures!
