

Prayer Space

We are thankful for the support and guidance of those around us, and pray for the religious leaders throughout our community who help us through difficult moments and offer us support and guidance when we need it most.

Lower Key Stage 2 Staff

Teachers

Miss Holroyde - Phase Leader

Miss Leach - Year 3 Otters

Mr Daniel - Year 3&4 Badgers

Miss Thurman - Year 4 Foxes

Teaching Assistants

Mrs Mirza, Mrs Siyani, Mrs Mekuria

Goodbye Miss Leach!

Miss Leach has been a fantastic member of the LKS2 team whilst completing her final teaching placement. She has taught and supported children throughout the phase.

Her time at West Ham Church Primary School has come to an end, and we wish her all the best in the future as she prepares to start her new job.

After-School Clubs

Monday - Multi sports

Tuesday - Art

Wednesday - Book/Film

Thursday - Gardening

Clubs are to support working parents and will need to be booked and paid for in advance via the school office.

Sports Day

Congratulations to everyone for trying so hard during sports day.

We are very proud of you!

Maths Week!

We have had a fantastic time collecting data and finding different ways to present it. The children came up with their own questions to find out how environmentally friendly, focusing in particular on our use of plastic. They recorded the answers using tally charts, and then worked together to create graphs and pictograms. Finally, they presented their findings to the rest of their class.

We also had great fun dressing up as rockstars on Wednesday as part of London Rocks! The children all looked fantastic (and the teachers had fun too)!

Congratulations to **Foxes** for earning the most points out of the classes in our phase. Well done!

Summer 2, Week 4

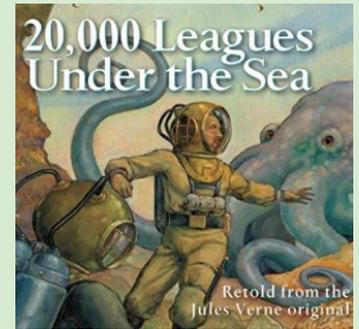

Art Week, English and Maths

For the next two weeks, we will spend the mornings planning and creating art work to represent everything we have been learning about Judaism. This will form part of a new display in the hall.

For maths next week, we will continue to consolidate our key number facts, and we will be exploring shape as part of our display project. In English, we will be finishing our underwater adventure stories based on 20,000 Leagues Under the Sea before moving on to researching additional information about Judaism, and comparing it to other religions.

Projects and Investigations: Country of the Week

Last week's 'Country of the Week' entries were fantastic - it was great to read so much information about Mexico!

The new country of the week is...**Peru!**

Children should find out information about **Peru** and present it in a really creative and engaging way. There will be time to present their work towards the end of the week and be in with a chance of becoming Class Geographer.

Quote of the Week

All things are difficult before they are easy.

Thomas Fuller

Special mention to **Arwa** (Badgers) for being a fantastic role model, and her thoughtful contributions to our lessons.

Otters: Raghieb, for improved effort and concentration in all lessons, particularly in English

Badgers: Chance, for excellent effort planning her under the sea adventure story.

Foxes: Zahira for working so hard on her maths project this week. She has been a fantastic group member and has been so focused!

Our Work!

We had a great time creating our surveys, recording information, and presenting our findings to the class as part of Maths Week!
